how to find us

The High Road tube exit is here at the corner of West Green Road/Tottenham High Road

The closest tube station is Seven Sisters on the Victoria Line. Make sure you come out of the station on the **High Road** exit, NOT Seven Sisters Road. You come out on the corner of **West Green Road** and **Tottenham High Road**. Cross **West Green Road** and walk north up the High Road. Tesco is across the road on your right.

Pass the **College of North East London (CoNEL)** and bear left up Tottenham Green.

We are in the old Firestation between CoNEL and the Town Hall- look for the bright red doors.

If lost ask for **Tottenham Green Enterprise Centre/the old Firestation**.

Our office is on the second floor of the main building.
